AUDIT OVERVIEW

Website: akronindustry.com

Comprehensive E-E-A-T Performance Analysis

10	**218**	**16.7**
PAGES ANALYZED	**AVG WORDS/PAGE**	**READABILITY**
Total number of pages scanned	Content depth indicator	Content ease of reading

0	**10**	**10**
AUTHOR PAGES	**CONTACT PAGES**	**EXTERNAL LINKS**
Pages with author information	Pages with contact details	Outbound reference links

E-E-A-T SIGNALS EXPLAINED - PART 1

A ✓   **Author Information Present**
Shows content authorship and expertise

A ✗   **No Author Information**
Missing author credibility signals

Ab ✓   **About Page Found**
Website has about/company information

Ab ✗   **About Page Missing**
No about/company page detected

C ✓   **Contact Info Found**
Contact information available

C ✗   **No Contact Information**
Missing contact details

P ✓   **Privacy Policy Found**
Privacy policy page available

P ✗   **No Privacy Policy**
Missing privacy policy

T ✓   **Terms of Service Found**
Terms of service page available

E-E-A-T SIGNALS EXPLAINED - PART 2

T ✗   **No Terms of Service**

Missing terms of service

Note: The Terms of Service signal indicates whether your website has a dedicated terms of service page. This is important for legal compliance and building trust with users.

A missing terms of service page (T✗) means visitors cannot review your website's terms, conditions, and usage policies.

DETAILED PAGE ANALYSIS

RECOMMENDATIONS & ACTION PLAN

WHAT'S WORKING WELL

- Contact information available on all 10 pages (builds trust)
- Good website structure with 10 comprehensive pages analyzed
- External links (10) present for reference and credibility
- About page is accessible and provides company information
- Consistent website design and navigation structure
- All pages have proper titles and basic SEO structure

AREAS FOR IMPROVEMENT

- Add author bios to all pages for E-E-A-T credibility (currently 0 pages)
- Increase content depth - aim for 300+ words per page (current avg: 218 words)
- Improve readability scores across all pages (current avg: 16.7)
- Add privacy policy and terms of service pages for legal compliance
- Create unique, descriptive page titles instead of generic "BrilloClean.com"
- Optimize images with proper alt text for accessibility and SEO
- Implement structured data markup for better search visibility

PRIORITY ACTION PLAN

1. **IMMEDIATE (Week 1): Add author bios and create privacy policy**
2. **SHORT TERM (Week 2-3): Improve content depth and readability**
3. **MEDIUM TERM (Week 4-6): Implement structured data and optimize titles**
4. **LONG TERM (Ongoing): Continuous content improvement and monitoring**
